FLOOR DRAIN

Where Every Drain Reflects Perfection

At DOREIN, we specialize in crafting premium bathroom gratings and drainage solutions made from high-grade SS 304 stainless steel. Our wide range includes Long Drains, Square Drains, Fancy Drains, and Designer Gratings — each engineered to combine strength, corrosion resistance, and modern aesthetics.

With a passion for excellence, we use advanced manufacturing techniques like laser cutting, buffing, and polishing to deliver products that not only perform flawlessly but also enhance the overall appeal of your interiors.

AN ISO 9001 : 2015 CERTIFIED COMPANY

An Overview

Dorein is a trusted manufacturer of premium SS 304 Bath Gratings and Drainage Solutions, offering a perfect blend of durability, functionality, and modern design. With a commitment to excellence, we craft a wide range of products including Long Drains, Square Drains, Fancy Drains, and Designer Gratings, all engineered with precision and style. Our state-of-the-art production process ensures superior quality, corrosion resistance, and long-lasting performance. Every piece we create reflects our passion for innovation and attention to detail — delivering not just a product, but an experience of elegance and efficiency for contemporary bathroom spaces.

Our Vision

To become a leading brand in innovative and aesthetic drainage solutions, setting new standards in quality, durability, and design — where every product reflects perfection, precision, and performance. We envision a world where function meets beauty, and every bathroom space becomes a symbol of style, strength, and sustainability.

Our Mission

To design and manufacture superior-quality SS 304 Bath Gratings that combine innovation, reliability, and elegance. To deliver customized drainage solutions that meet modern architectural and interior needs. To continuously adopt advanced technologies ensuring long-lasting performance and customer satisfaction. To build trust through honest craftsmanship, quality assurance, and timeless design.

WHY PVD?

BECAUSE LUXURY DESERVES TO LAST.

PVD (Physical Vapor Deposition) coating not only adds stunning color but also strengthens the surface, making it more durable, scratch-resistant, and corrosion-proof — ensuring your bathroom looks new for years.

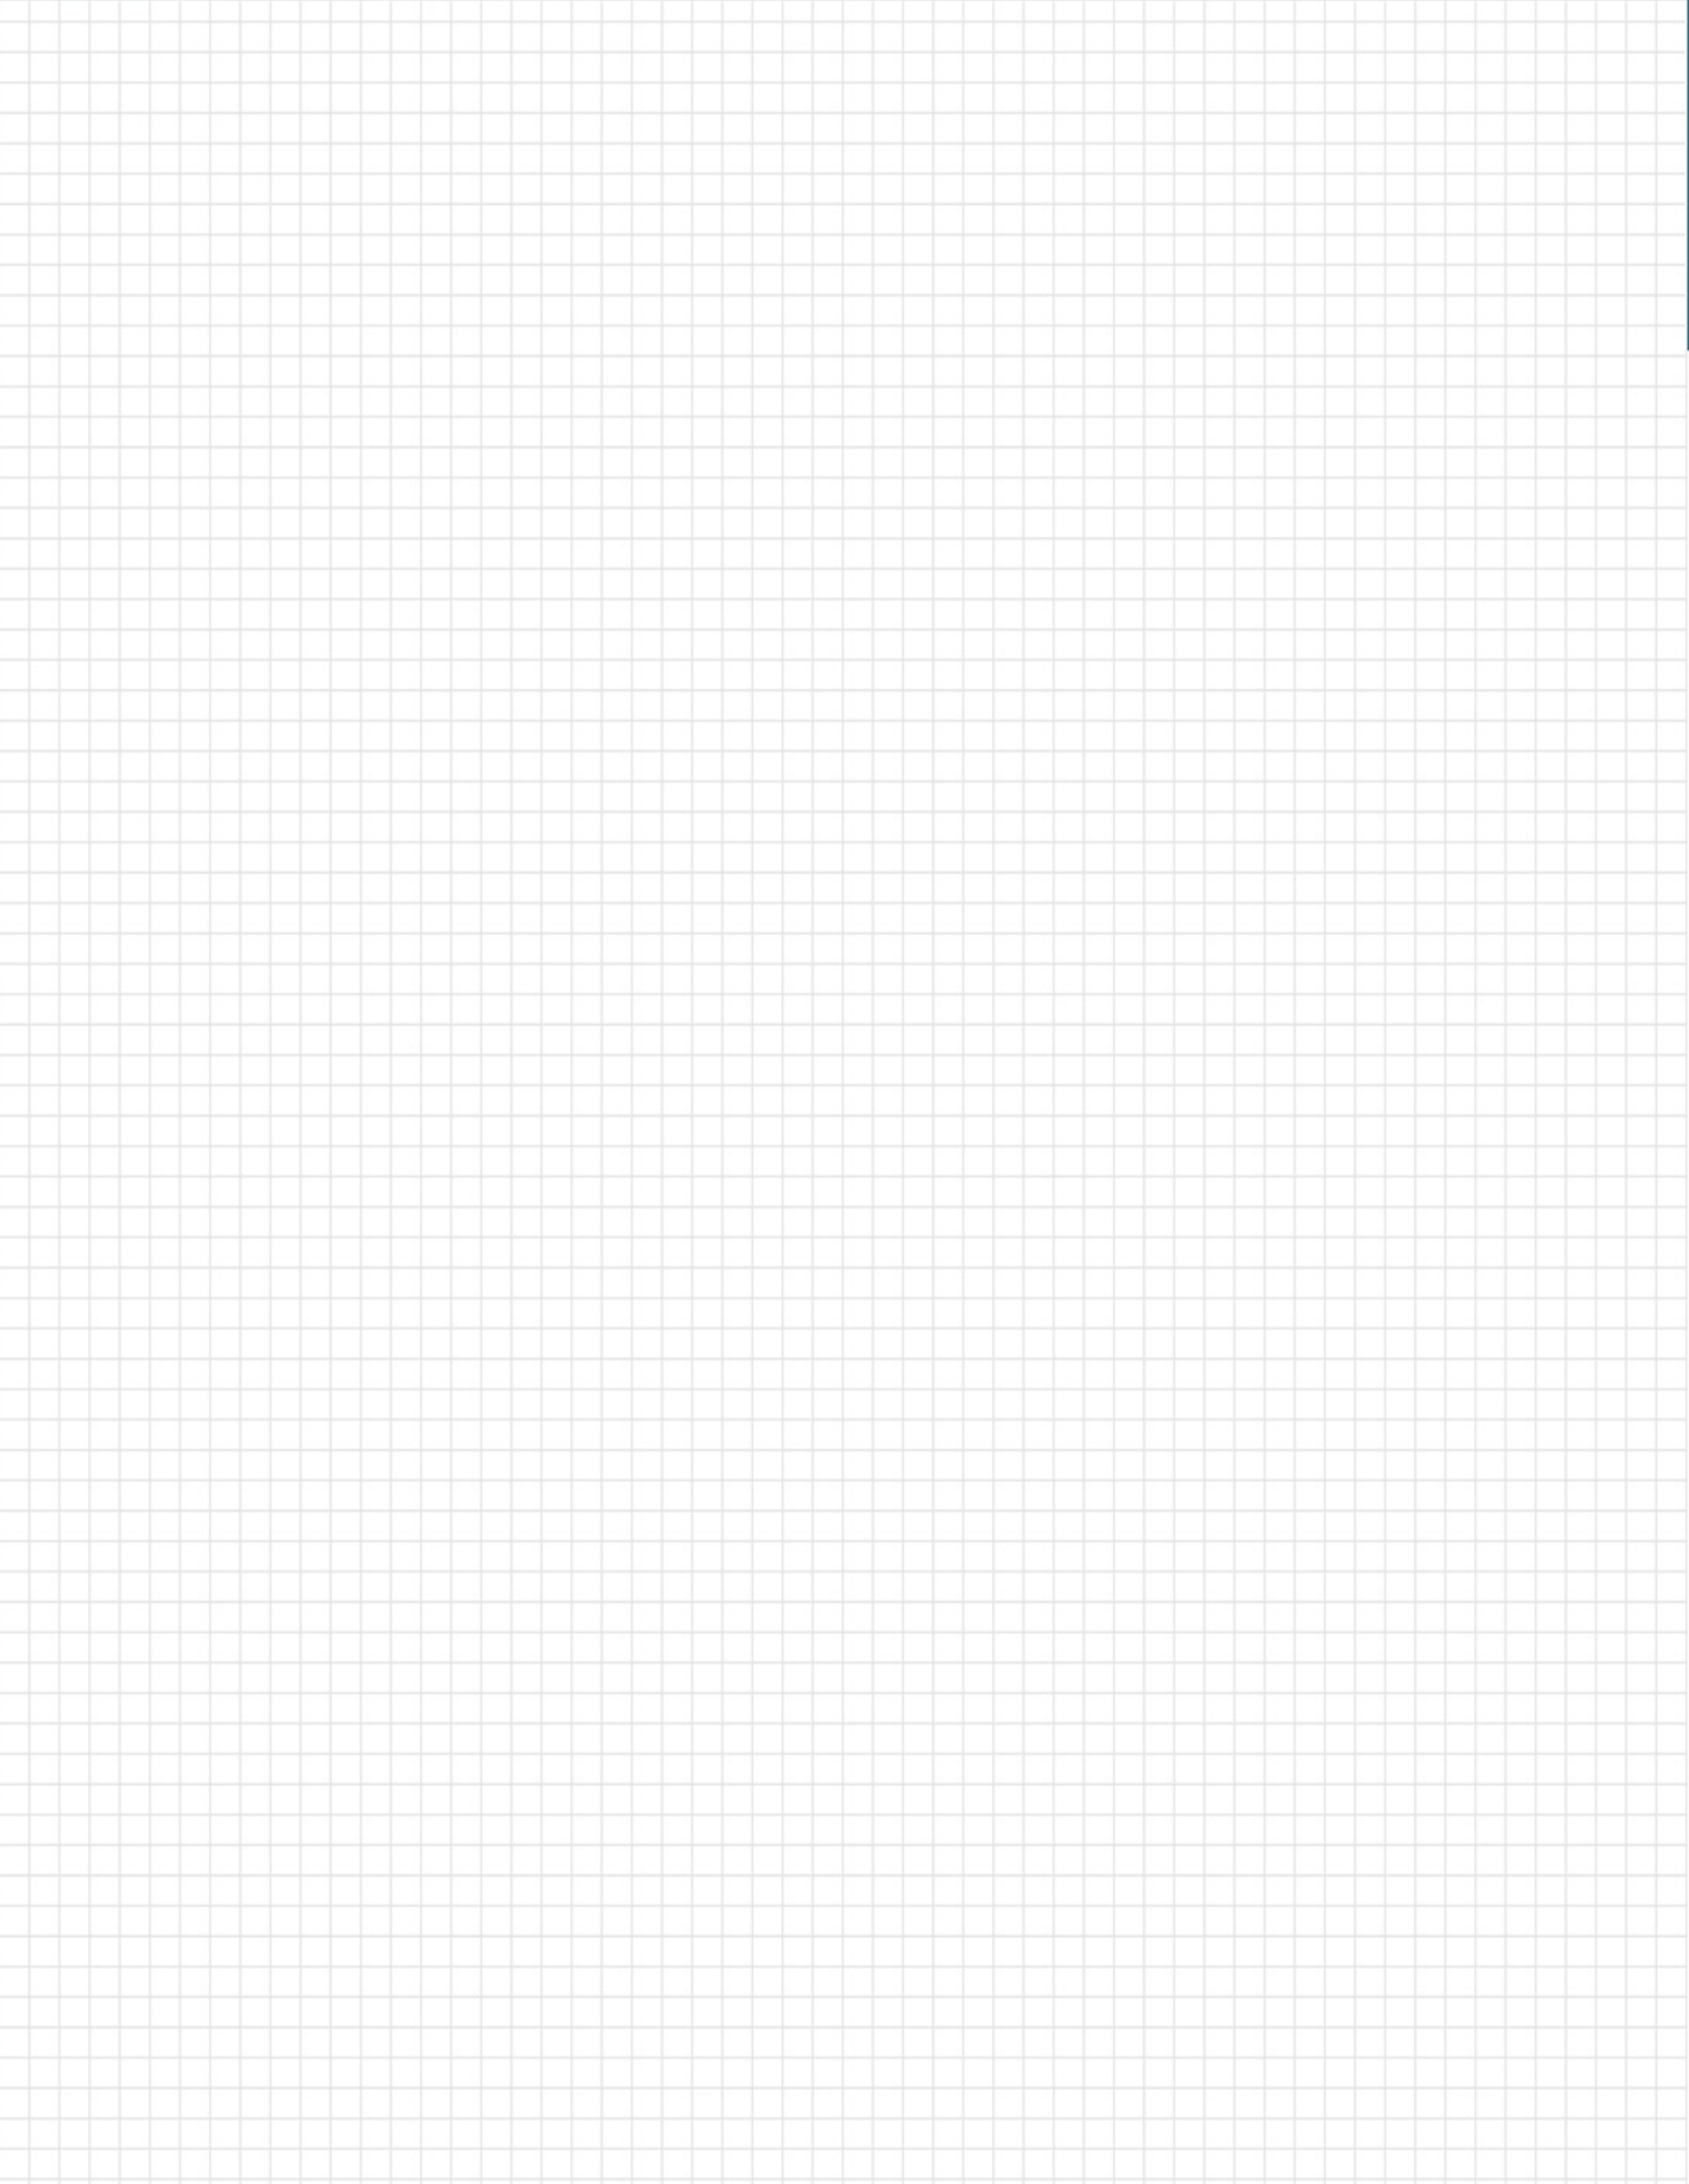

Where Innovation Meets Aesthetics

- Luxurious Appearance that complements modern interiors
- Extended Life & Durability compared to standard finishes
- Eco-Friendly Coating Process (non-toxic and sustainable)
- Uniform Color Tone that stays consistent over time
- Adds Premium Value to your bathroom aesthetics
